INDIAN PSYCHIATRIC SOCIETY APPSYCON 2011 ORGANISING COMMITTEE

Dear Doctor,

Organising Committee and Myself take the pleasure and privilege to invite you to the Indian Psychiatric Society, AP Chapter 31st Annual Conference on 16th & 17th July 2011 at Khammam.

Perceiving the urbanization of the Indian Society, the theme "ALCOHOL DEADDICTION - LATEST UPDATES" was selected. The topics of the conference are designed with distinct intuition for a better understanding of the effect of the so called modernization spurt on the rich Indian Culture.

"If a person has cancer all are sorry for him...But not so with alcoholic illness, for with it there goes annihilation of all things worthwhile in life...It brings misunderstanding, fierce resentment, financial insecurity, disgusted friends and employers, warped lives of blameless children, sad wives and parents..."

-Alcoholics Anonymous

Your valuable presence and sharing of your rich experience will enhance the scientific fragrance of the conference.

Besides academics, we are also planning a trip to Bhadrachalam, Kinnerasani Dam and Buddhist Stupa at Nelakondapalli to engage your family.

Please do visit and make it an occasion to cherish.

A warm welcome awaits you at Khammam.

Looking forward to meeting you

Yours truly,

Dr. R. Sateesh Babu M.D.,
